SHORT BIO

José Pérez, a first-year student at UFRO, comes from Loncoche, studied at a technical high school, entered civil informatics engineering and rents in Temuco.

OBJECTIVES

- *Track his grades and attendance.*
- *Find academic help discreetly.*
- *Overcome difficulties in initial programming subjects.*

FRUSTRATIONS / PAIN POINTS

- *Avoid the stigma/bias for a possible sensitive academic situation.*
- *Does not want to be labeled as a bad student and treated differently because of it*
- *Gets anxiety from receiving threatening emails informing about absences or low grades*

MOTIVATIONS

- *Pass all my first-year subjects.*
- *Have good grades.*
- *Not have bad experiences with teachers.*

NEEDS

- *Needs to receive academic support in an empathetic way, before reaching an irreversible situation*

BEHAVIORS

- *Afraid to ask questions out loud in classes, if he does poorly on an evaluation he gets depressed and isolates himself.*

CHANNELS AND TOOLS HE USES

- *WhatsApp, Instagram, email, discord and virtual campus.*

DEVICES

- *Android smartphone, laptop*

"I struggle with some subjects and I am living alone away from my family, I would like to be able to track and improve my academic situation easily"
